BASQUE TO THE OLD SCHOOL

Last Christmas, my bloke Steve got me this really beautiful red basque and sexy lingerie.

The feel of it got me horny and the sight me in it did the same for him, so we had an early night. I said maybe I'd better take it off, in case we damaged it as things heated up, but he said leave it on. He took the panties off me then had me lie there, playing with myself while he sniffed them and wanked his cock. I know his body well enough I can tell when he's about to shoot and it just spurted out, soaking down the silk.

He said he was sorry, he'd just got the urge, but I surprised myself, feeling turned on by the mess he'd made of me. And that led to a bit of a fetish, for the both of us.

I won't let him do anything more than spunk on that basque because I love it and it cost a fortune, but now I've stocked up on cheap undies – everything from plain white cotton to cheap, slutty sex-shop knickers because we both love it when he rips them off me!

Sometimes it's planned and sometimes it isn't, though. One day we went for lunch at quite a posh restaurant, so I was wearing a black pencil skirt and white shirt, sexed up with a pair of fishnet tights. We played footsie through most of the meal and when I came back from the loo, I handed him my panties – just simple black tangas.

When the waiter came to take our coffee order we asked him to delay it so we could go for "a ciggie". But Steve followed me into the ladies. I bent down over the loo and he hoicked my skirt right up around my waist, then I felt him dig his fingers into the mesh of the tights, ripping a massive hole in them

right over my pussy.
He should have dropped his pants first – he was so worked up he could hardly get his flies undone, and the anticipation was killing me. But the hard-on he stuck in me was well worth the suspense.

It was fast, a bit of a bunny fuck, Steve trying to get off quick and me frigging like mad to get there too. In the end he shot first, but I kept on rubbing myself, finally bringing myself to orgasm as his cum spurted out over my hand.

After lunch I had to go back to my office, and Steve refused to give my knickers back.

I cleaned myself up in the loos as best I could but had to spend all afternoon sat in a tight skirt, with a gaping hole torn in my tights and the memory of my bloke's length poking me through it.

I had an hour's wait for Steve after I got home, but resisted the temptation to play with myself. His cock was going to get some full-on pussy and he wasn't going to stop fucking me till I was totally satisfied.

I kept the same tights on, with a pair of knickers and a cheap, fitted T-shirt dress over the top. He got to the bedroom to find me playing with my tits, getting my nipples stiff, and he ripped the top half of my dress down to the waist, exposing them. I think that, given time, I could have cum just from him sucking them, but now he was tearing further down.

The knickers didn't last too long either, the elastic snapping and the cotton ripping as he yanked them off me. But he left the tights in place. It looked so slutty, more naked than naked, the tattered fishnet framing my twat, with its neat, trimmed bush. He hooked my knees over his elbows, then ploughed in, fucking me slower than we'd done earlier. He fingertips in the fishnet, stretching it tight then rubbing it over my clit. It added so much friction I came almost instantly, my pussy massaging his cock. And I came once again before he pulled out and splattered my crotch and torn tights with a load of thick, creamy jizz.

I'll make it clear, it's just a game – Steve would never do anything that I was uncomfortable with. I'm not even sure why I'm so into it – I think it just feels bad and forbidden, as I'm normally pretty fussy about my clothes! But if it makes us both cum, what's the harm?

Vicky, Yorks.

Ellie, Wiltshire.

WHAT A BLINDER

One evening hubby told me to put a blindfold on and relax on our bed. I knew I was in for a good spanking and I braced myself for the beautiful stinging blows.

He told me he had a surprise for me and after a few blows he took off my blindfold.

My best mate Liz was on the bed next to me and it was her who'd been spanking me. We had a great threesome and we all fucking loved it. She licked me out while my boyfriend slammed his cock up her from behind. Then I wriggled round so I could lick her cunt and his swinging nuts as he screwed her.

After that it was my turn. My boyfriend got me on my back and draped my legs over his shoulders. As he pummeled into me Liz sat on my face and I slurped at her cunt. Then my boyfriend took a back seat and pulled himself off as me and Liz had a juicy sixty-nine. Finally he got on the bed and shot his load all over both of us.

We rubbed it into our cunts before licking it out of each other. I'd never cum so much as I did having just shown my cunt to the camera for the first time – it blew my mind!

I would recommend it!

Ruth, Bournemouth.

You'd think a vivacious girl like Bonnie, all boobs and no trousers, would be beating them off with a shitty stick. "I haven't got laid in blooming ages!" she complains. "I've been moving around, changing jobs and haven't had any in six months. You start to lose confidence when that happens. I've been reading a lot of Razzle magazine, and you were my first call when I decided to get down and dirty with some strangers!" So come on readers, can you put a spring in Bonnie's step?

"I love to be watched while I'm fingering my wet twat, and there's no better place to do it than in a hot soapy shower," Zoe tells us. "And once I've climaxed, which doesn't take long, I let my man jerk off and cum over my body. Sometimes, if I'm in a particularly dirty mood, I'll ask him to shoot his load over my face. Then I get him hard again, ready to fuck me."

Stella's fellas – where's a tart to start? "I don't know how many lovers I've had. I stopped keeping count. I love sex, especially with strangers. When you know you're not going to see someone again you can really lose all your inhibitions. I hunt down some cock and then spend the whole night letting it do all sorts of unspeakable things to me. It's not through a lack of trying, but I'd love to be able to have two cocks in me at once. I wonder if a couple of your readers would like to volunteer to double team me?"

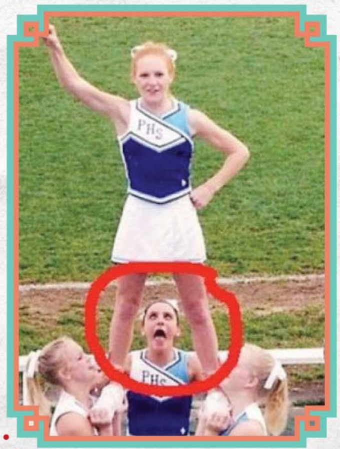
education is important, but big biceps are importanter

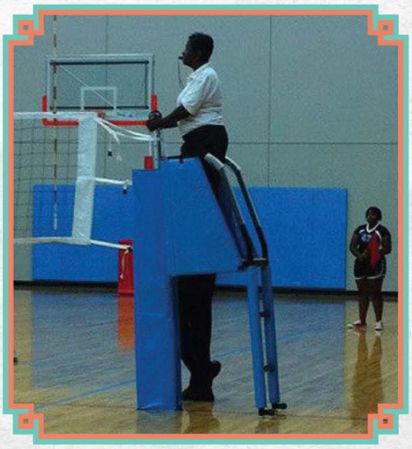
An atheist buys an ancient Catholic lamp, takes it home and begins to polish it. Suddenly, a genie appears, "I'll grant you three wishes." The atheist says, "I wish I could believe in you." The genie snaps his fingers, and suddenly the atheist believes in him. The atheist says, "Wow. I wish all atheists would believe this." The genie snaps his fingers again, and suddenly atheists all over the world begin to believe in genies. "What about your third wish?" asks the genie. "Well," says the atheist, "I wish for a billion dollars." The genie snaps his fingers for a third time, but nothing happens. "What's wrong?" asks the atheist. The genie shrugs and says, "Just because you believe in me, doesn't mean that I actually exist."

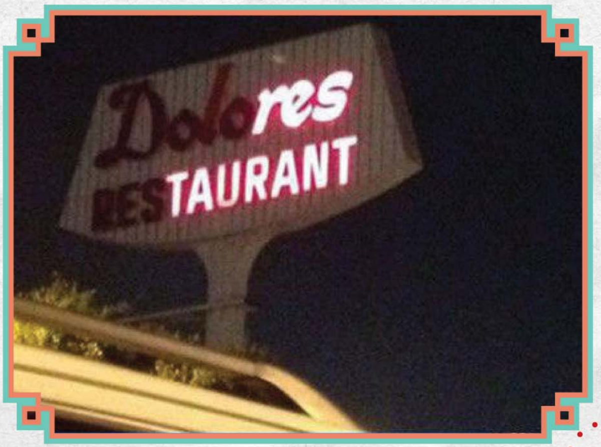
A rich man and a poor man are both buying anniversary gifts for their girlfriends. "What are you getting your girlfriend?". The rich man says "a diamond ring and a Mercedes, so if she doesn't like the ring she can drive to the shop and return the ring. What about you?" The poor man says "I'm buying her a pair of slippers and a dildo. So if she doesn't like the slippers, she can go fuck herself."

Two firemen are butt fucking in a smoked filled room. The Fire Chief walks in and says. "What are you doing? Give this man mouth to mouth". One of the fireman says "I did how do you think all this shit got started..."

What's the mating call of the blonde? "I'm sooooo drunk!"







VICTORIA

“Do you want to come to into my bedroom, or would you prefer it if I teased you outside the door?” pouts Victoria. “I mean a lot of guys prefer the anticipation even more than the pleasure itself, and I reckon I can make you horny enough without even letting you into my boudoir! Mind you, just for my own benefit I’d have to let you in sooner rather than later, because it’s not just you who’s getting a raging horn on!”

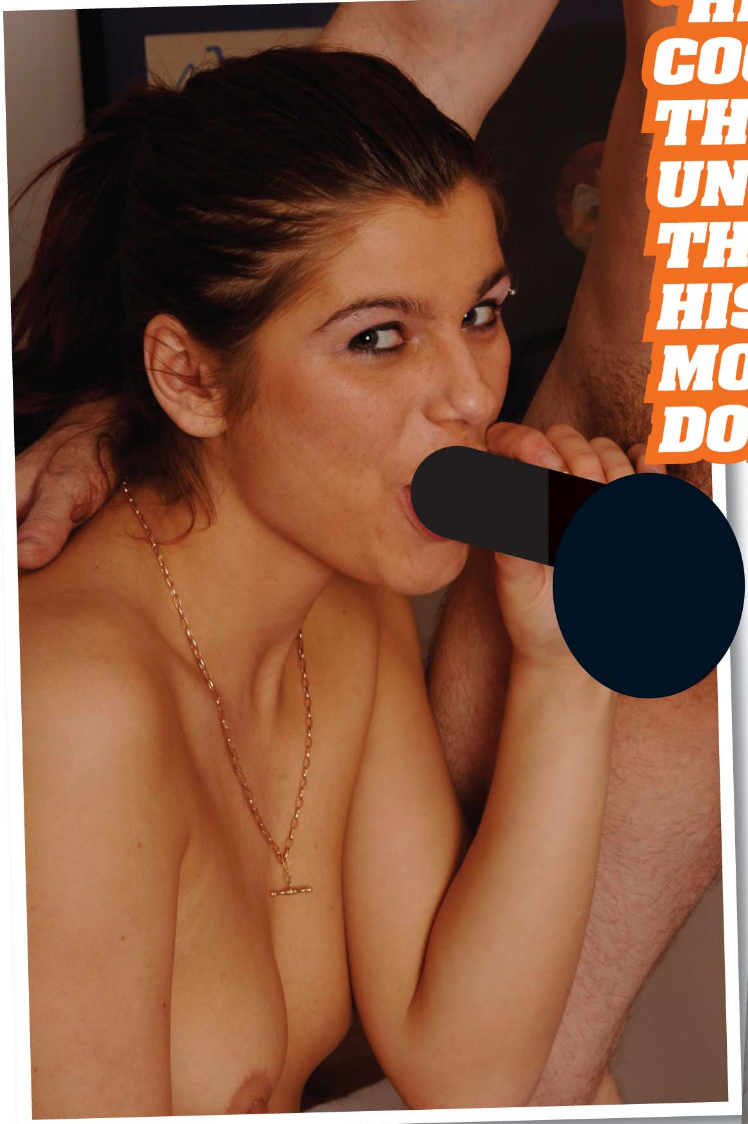
TRUE CON

PRUDE GETS NUDE



> **"HE SLIPPED HIS COCK IN MY MOUTH, THRUSTING IN AND OUT UNTIL SUDDENLY I FELT THE SWEET TASTE OF HIS JUICE FILLING MY MOUTH AND RUNNING DOWN MY CHIN."**

I recently changed jobs and moved to Essex having divorced after 19 years. My husband left me, telling me I didn't satisfy his sexual needs and that I was a prude.

It was at my new job that I met Matt, an American, and after not having sex for three years, let's just say that we had a really good time before he went back to the U.S.

Recently, prior to leaving, he asked if he could take some photos of me on my camera and then post them to his office in the U.S so that his wife wouldn't find out. I have to say it really turned me on and as requested, a couple of days after his departure, I printed them off. However at this time I was having my house decorated by two blokes – Del who is about 50 and Jason about 20.

I suddenly realized the day

FESSIONS

after printing the pictures, a Friday, that I had left them on top of the printer, which Del and Jason could see. What would they think?!

It didn't take long to find out as only Jason turned up on the Saturday and he couldn't stop grinning at me so I decided to flirt a little and told him I had to go out but when I got back I would make us some lunch. As I left I noticed a large bulge in the front of his jeans, which really turned me on. So when I got back I made us both a quick snack and invited him to join me in the lounge, which he quickly accepted, although he seemed nervous.

After a few cans of Stella (wine for me) I moved away from small talk and asked him straight out if he liked my photos.

He went red in the face and instantly the bulge reappeared, so I simply leant over and asked him how badly he wanted to fuck me. The answer was clear because the next moment he was all over me.

I helped by popping my tits out of my T-shirt so he could really suck my nipples and then he slipped his cock in my mouth, thrusting in and out until suddenly I felt the sweet taste of his juice filling my mouth and running down my chin.

I loved both the taste and the feeling of it so I kept sucking and licking. To my amazement within only a couple of minutes he was rock hard again. By this time my pussy was socking wet and aching for cock so I asked him to fuck me doggy style over the arm of the sofa.

Within ten seconds I was bent over the chair with a large hard cock pounding in and out of my soaking pussy. I was feeling like such a dirty bitch that it didn't take long for me to be groaning with ecstasy as I came big time.

"Did you enjoy that?" I asked as he dismounted me.

"Awesome. Me and Del saw your dirty pictures and had a bet on whether one of us would fuck you. I won," he replied.

I laughed and as I was feeling like such a dirty slut an idea occurred to me. "Del said the job would be finished on Tuesday, so why don't the three of us go down the pub after work and then we can come back here and we can settle up and see if you have won your bet."

He looked surprised as he eventually replied: "A threesome?" "We shall see," I said.

I'd certainly never done that before and when I sobered up later I definitely had second thoughts but first thing Monday morning I got a dirty text from Del saying that they were up for my suggestion.

I went out and bought a really tarty outfit to wear to the pub as I thought what the hell I was starting to behave like a slut so I might as well look like one, which turned me on even more.

Well, on Tuesday night we did all meet at the pub, we all got very pissed and Del and Jason did fuck the arse off me and I totally loved it.

Del suggested that I send my story to your mag to see if your readers approved of my new behaviour.

Sally, Essex.

She's 'Carla Cox' by name and boy does she loves cocks by nature. "I can't get enough sausage stuffed up inside me," Carla confessed with a grin on her face. "They say that size matters, but to be honest with you I'll take any cock over the thought of not getting one at all. Besides, when I'm fucking a guy with a smaller cock I just ask him to slip a big fat dildo up my arse while he pounds away at my pussy.

FURRY'S JOLLY GOOD

We've been into swinging for a few years, so when we went on holiday to Berlin we thought we'd try and check out the swinger club scene there!

When we arrived it was obvious that as far as our choice of club went, we had made the right choice. We got in with no fuss, and it looked as if most people spoke English!

We were getting on very well with a German couple who were a little younger than us. They were very interested in Britain and the swinging scene here as they were planning a trip. We'd chatted on much longer than we usually would in a club, so we all decided to take it on to one of the club's rooms.

The room we went to was basically a square, with a soft floor – not quite a mattress, but padded. I looked at out German friends as they undressed. Linde was firm and fit with smallish tits, and had blonde hair. She

looked like she spent time at the gym. Lamarr was fit and firmbodied too, with short brown hair and a big dick.

Linde took Richard's cock and wanked it so it was as hard as it could get, then licked up and down its length. I followed suit with Lamarr's dick. Already my juices were flowing and I was eager to get his cock rammed up me as soon as I could.

> **"She got on all fours and smeared lube onto her tight little bum hole. She was offering my husband her arse!"**

I took the lead and lay back on the floor. Lamarr wasn't ready to feed my hole his cock yet though, and began lapping at my shaven cunt!

As he paid attention to my clit I looked over at Richard. Linde was rolling a condom onto his cock – lucky cow, she was going to take his length!

I was surprised when she got on all fours and smeared lube onto her tight little bum hole though. She was offering my husband her arse! I watched as he eased his dick into her bumhole – I'd never seen him fuck another woman in the arse before, even though he'd done me there plenty of times! It was a sexy sight.

Lamarr filled my pussy with his meat in one slow thrust. His cock felt good inside me, and he began to pound away in steady strokes.

Linde was panting and calling out as she frigged herself while Richard fucked her arse. I reached over and fondled her nipples, and I knew this was the kind of thing that would send her over the edge! I was right – she wailed and panted, cumming on her fingers so hard that Richard's cock was squeezed out of her arse.

I was close to orgasm myself – but I tend to cum quietly. Lamarr fucked me steadily, pumping in and out with regular thrusts. Just the way to make my cunt quiver! I took another look at Linde.

She was flicking her clit while Richard fucked her cunt hard and fast. She started to cum again, and I could see Richard would be able to hold on. Then I saw from his face that he was there, pumping his mess into the condom inside her!

It was my turn – I couldn't hold it back if I'd tried! I convulsed with it cumming hard and long. As I relaxed back after the final wave Lamarr pulled out of my cunt and spewed a hot load of jizz over my stomach!

Alison, Lincs.

FURRY'S JOLLY GOOD

My boyfriend Ed is a dirty bastard, but a bit "vanilla", and he finds other people's kinks hard to accept. So when I told him about "furries" – a fetish for humans dressed in animal or cuddly toy costumes – he accused me of bullshitting. Even when I showed him online he got all sneery, saying he'd better watch he didn't get a boner at the footy when the mascot came out!

I bet I could turn him on with a furry costume and spent ages on it. I cheated a bit – it wasn't head-totoe fake fur, but a peephole bra, crotchless panties and suspender belt covered in white fluffy fabric, plus pointy false-nail "claws", a fluffy tail and a Catwoman-style white fluffy mask. I also had a sparkly collar with a name-tag on it that read "Pussy"!

Ed walked in on the Friday to find me stretched out on the rug in front of the fire.

He looked stunned and I just purred, padded over and started to rub up against him. He just laughed and called me a perv, so I turned around and crawled back to my rug, sweeping my tail sideways with a wiggle of my arse, so he'd get an eyeful of my pink, juicy, 100% human slit edged with the white fluff.

My sex-kitten act obviously put him in the mood for a bit of doggie, and my snatch twinged as he dropped his trousers, then got in behind me. He pulled the edges of my panties further apart, like he was scared he might brush against them and get turned on!

Once he was inside me, though, he didn't care – in fact his hands were stroking all over my soft, fluffy bra as he felt for my nipples, and he was rocking his crotch from side to side as well as in and out, and tracing the line of my suspender straps.

I reached back to rub my clit, which soon had me cumming, then he grabbed my hips and really started pounding into me. I decided against yowling – no need to overdo it! – but purred at him to fuck me as hard as he could.

He didn't hold back any, just hammered my pussy before emptying his balls deep into my snatch.

Donna, Hants.

"The hubby is an avid reader of *Razzle* magazine and since you've been including a GILF every month he's been on at me to pose for a few photos. I was a bit skeptical at first and I was really nervous about shaving off my pubic hair for the first time ever, but by the time the photo shoot was over I don't think I've ever felt so horny. And I can't remember the last time I'd seen my husband's cock so hard. The sex was incredible too, I feel twenty years younger."

From one dildo lover to another! "The first time I tried to have sex I simply couldn't fit this guy's dick in my tight pussy," Carla told us. "I literally had to train my pussy with a whole load of different dildos, each one getting slightly bigger, until I gained enough confidence to have sex again. I'm pleased to say that I'm a cock champ now and I can fit pretty much any sized dick up my hole! I might start working on my arse next!"

Rachel & Brian

Lucky fucker

My wife Rachel and I are pretty open-minded about our sex lives. Having said that, we'd never been involved in swinging, dogging or multiple partners, until a few weeks ago.

We caught a bus into the city to do some shopping and ended up getting caught out in an awful thunder storm.

We ended up sheltering in the doorway of a sex shop, which had an 'adult only' cinema in the back. Rachel finds porn a real turn-on, and would happily watch it all day, so we went in. The cinema was pretty small, and very dark, but we could see there were very few people there, just a couple of fellas, so we settled down to watch the movie that was playing on the screen – a busty blonde getting serviced by two men and another woman.

After a while, I needed to go to the loo, so I left Rachel alone for a couple of minutes. When I got back, I could see that the two guys had moved closer, and were sitting next to Rachel. I sat on the other side of her, and soon I felt her hand creeping under my coat and into my jeans, finding my cock. She was getting really worked up and I could hear her breathing getting faster. When I looked across I could see the reason why – one of the guys had his hand up her skirt!

Rachel was obviously loving it, and this was a turn on for me too, so after looking around to make sure that the four of us were the only ones there, I smiled at the blokes who had joined us, and pulled Rachel's skirt right up so that I could see her being fingered.

The bloke's fingers were glistening with Rachel's juices as he pumped them in and out of her. Rachel reached into the front of his trousers and pulled out the biggest cock I've ever seen, running her fingers over his cock and balls and massaging his bell-end, which looked to be about the size of a tennis ball!

The guy pulled Rachel's leg up and over the armrest of the chair and slid to the floor in front of her. Then he held her pussy lips open with his hands and dipped his head so that he could clamp his mouth over Rachel's soaking pussy.

Rachel's tugging of my cock was getting rougher and rougher, so I put my hand over hers to get her to stop before I came.

The other guy had his dick out and was wanking himself off.

All interest in the film had gone as we watched this bloke lap at Rachel's pussy. His head bobbed up and down and his tongue flicked over Rachel's clit. I could hear her soft moans and gasps as two fingers pushed their way into each of her holes and she gasped as she came. I knew then that she was on fire, and that she wouldn't be happy with just a bit of oral sex.

Sure enough it was my darling wife who made the next move.

Without even looking at me, she pushed the man's head away and slid onto her hands and knees on the floor. Her head was in my lap and her mouth searched for my cock as her lover pushed down his jeans and shuffled up behind her, his huge cock pointing in the direction of Rachel's pussy.

The other guy moved into the row in front, leant over and popped all the buttons on her blouse, pushing up her bra to let her tits free. Then the guy with the huge cock whispered to her, "Do you want me to fuck you?" and I clearly heard her reply, "Oh god yes, I want you to fuck me. Give

me all of that big cock, fuck it all up me and make me cum.” With that, he grabbed the waistband of her knickers and pulled them off.

There was a sharp intake of breath from Rachel as the stranger started to push his mammoth bell-end inside her, and as he started to penetrate her sopping pussy, she was pushed forward, my cock filling her mouth. She said later it felt like he was trying to get an arm inside her!

The stranger reached round and pulled her fanny lips apart as he tried to get more of his length inside her. Rachel grunted, took my cock out of her mouth and moaned, “Oh Christ, it’s so big, fuck me, don’t pull it out,” and then jammed my cock back into her mouth, her body quivering uncontrollably as the stranger slid his cock inside her, inch by inch.

When he had most of his length inside her stretched pussy, he started to grab her tits, whispering in her ear that he was going to fuck her. Rachel was moaning, working on my cock, and when he asked her if she liked his big cock she just moaned, nodded and pushed her arse back against him. At this he pulled most of his cock out of her and then jammed it back in, beginning what would be a relentless fuck.

Rachel groaned into my crotch as he fucked her, squealing and moaning like an animal, crying out in pleasure as he fucked in and out of her, stretching her fanny. After a minute or so, she pushed me away from her and lay on the floor, concentrating on her own pleasure as her pussy was given a hard fucking.

Finally, the stranger grunted, grasped her fleshy arse cheeks in his hands and spurted his load inside her soaking pussy. They just stood there for a minute, and then he pulled out, her fanny squelching as his cock popped out. Then he sat back, said thanks, and started to put his clothes back on.

Rachel was lying on the floor, her arse and pussy stuck up in the air, frantically rubbing her clitty like she was in a trance. It wasn’t long before the other guy asked if he could fuck her too. Rachel nodded weakly, and then took my dick in her mouth once again. The second guy put his cock inside her, but I’d be surprised if she even felt it after the stretching she’d had. There was not a murmur from her as he fucked her and came. She just lay there, shattered, her eyes a million miles away.

The second guy got up and left almost as soon as he’d cum, but the guy with the big dick hung around and chatted with me as Rachel got herself together. He lives in the city and just loves to fuck different women, and with a dick that big it’s hardly surprising! Before we left, unbeknownst to Rachel, he gave me his phone number, and as it’s her birthday soon I might see if he’d like to come round and service her for a second time. She obviously wants to see him again, as every time we’ve been to town since she’s tried to drag me back into the

It's become a bit of a tradition as of late that we save the last photo set in Razzle for the more hairy-inclined ladies, and although it's clear that Sarah isn't hiding Robin Hood in her forest, there's just enough bush to warrant her inclusion in this months issue of Razzle. We hope you enjoy her show. We did!

CUM AND GET IT!

There's women you want to take home to meet your mum and others you just want to throw down and fuck the arse off!

It's the same with texting... who needs flirting when you can get straight down to it...telling her exactly what you want to do to hear then hearing back from her that she's sitting with a moist pussy that's ready for your aching cock!

Don't waste any more time...text her now...

Imagine her, one hand on her mobile and the other idly teasing her moist shaven pussy...

We've got 100s of ladies on our books...from 19 to 78 years old and they come (*or should I say cum!*) in all shapes, sizes and nationalities from all over the UK. The only thing they have in common is that they love cock and they want to have mobile fun with horny, fun-lovin' guys like you.

If you've never tried sexting then you're in for a treat...and with out automated system it's never been easier. All you have to do is text the trigger word GIVE to the shortcode here and we'll do all the hard work of finding a woman who's looking for the same as you...

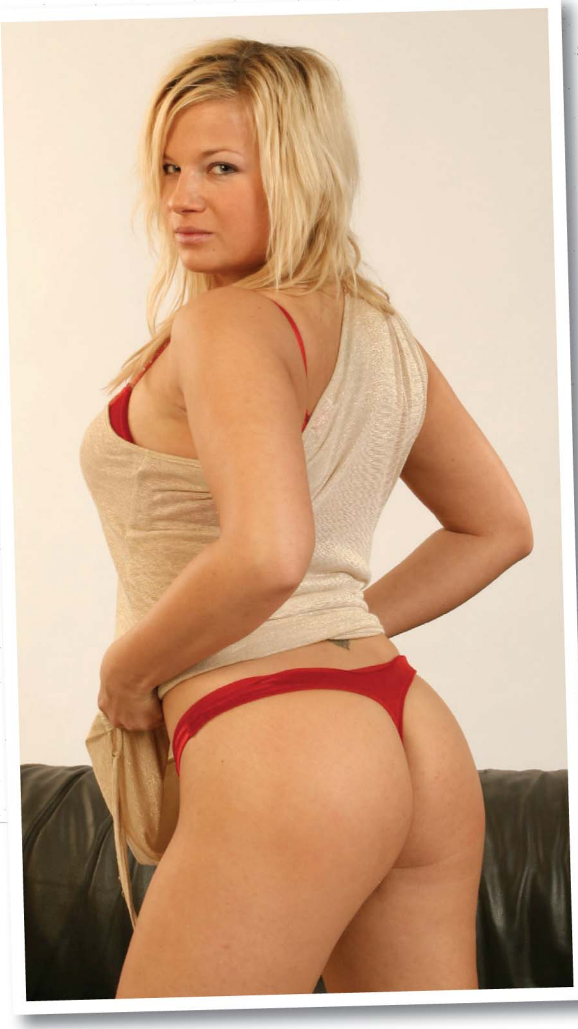
STRIPPER RIPPER



For our summer do, a friend of mine at work organised a girls' night out to watch a group of male strippers.

It was a drive of about two hours and we hired a minibus and driver. We all had a few bottles on the bus and the atmosphere was brilliant.

One woman in particular, Sonia, was clearly determined to have fun. By the time we got to the place we were all in high spirits and keen to see the show.

During the show, one of the strippers came into the audience and headed straight for Sonia. He offered her his bulging pouch and together we peeled off his thong.

He held a flag over Sonia's head and his cock but as I was so close I could see what was going on. She actually had his dick in her mouth.

I could see her sucking on it and licking it with her tongue. If he had the choice I reckon he would have stayed there and enjoyed a good blowjob, but he had to move on.

We were all drunk when we headed home and soon everybody was asleep. I was just about to doze off when I felt a hand on my thigh.

I opened my eyes and Sonia kissed me full on the lips. My legs turned to jelly and I couldn't resist her. Soon we were tonguing like a pair of 16-year-olds.

When she pulled my halter over my tits and started sucking and licking my hard nipples I realized the driver was watching us in his mirror.

I was wet with excitement and I managed to pull her jumper over her breasts so the driver could see her too. Then we pulled into a motorway service station.

The women trooped off to the restaurant but Sonia held me back. She led me in front of the bus and pushed me up against a truck. While she kissed me she rolled my little rubber skirt up around my waist and cupped my shaven pussy, sliding a long finger inside me. I told her the driver could see us.

"I know. Isn't it exciting? Show him my bum!" she whispered in my ear.

So I pulled her skirt right up around her waist too. Back on the road we continued fingering and sucking each other.

As we neared home we both took off our knickers and when the other girls tipped the driver Sonia pushed our damp panties into his hand.

My boyfriend Chris reckons I'm having an affair with some bloke but when he reads this he'll know I've been meeting another woman for a good seeing-to.

He won't be complaining when he gets his birthday treat!

Violet, Derby.

JENNY

Phew! It's all getting a bit steamy in here with the juicy-jubblied Jenny, whose ridiculously overendowed rack is getting us pretty hot under our trouser-collar. Luckily she's got a fan to cool us down. And we reckon she'll have thousands of new fans after she uses it to treat us to a burlesque show that leaves a lot less to the imagination than they usually do.

TRUE CON

IT'S TARTY PARTY TIME!

It all started at a friend's party. I was slightly drunk and my husband had been showing 'naughty pictures' of me to our friends; he was asking them to persuade me to pose for pictures for your magazine.

A short while later one of my husband's female friends asked him if she could kiss me. Lisa is in her early twenties, slim and devastatingly attractive. I don't know if he would have agreed if it was a male friend but he says he would and that this was my choice.

He asked me if it was OK, and being slightly drunk, I agreed so Lisa and I disappeared to a spare bedroom together.

Lisa started by softly touching my cheek and drawing me closer to her face before our lips met. That single moment in time was electric for me. Lisa is bi and experienced, I have only ever been with a few men in my life and I couldn't believe the initial sensation of my lips meeting hers.

We fell on the floor, our lips locked together, tongues entwined and our hands reaching at buttons and zips, frantically trying to undo any barrier to our passion. I felt the rush of excitement as her fingers found my clitoris.

She raised her hips allowing me to slide her jeans down and to get access to her soft, wet pussy. Just then my husband called up the stairs to see if we were OK. Breathlessly I called back "Fuck off and leave us alone!"

Lisa and I both kicked off our shoes and got out of our clothes as fast as we

"MY FINGERS WERE COATED WITH HER PUSSY JUICES SO I RUBBED AROUND HER ARSE BEFORE STICKING MY FINGER IN HER TIGHT HOLE!"

FESSIONS

could. As soon as we were both stripped bare we paused momentarily looking at each other's naked body. The effects of the wine had worn off – I was now giddy with excitement and expectation.

I opened my legs wide for her and her fingers found my clit. My back arched involuntarily. I longed for her to push her fingers inside me and, as if reading my mind she obliged and found my G-spot almost instantly. I was in heaven and on the verge of cumming already and we had only been together five minutes. What the fuck!?!

Lisa gasped as my fingers found her moist pussy again. I kissed her, my fingers always probing her gorgeous wetness.

I eased two fingers inside her just as I brought my lips above her clitoris, took a deep breath, stuck out my tongue and licked. I could feel her clit harden against my tongue, especially when I pushed my fingers deeper inside her. Lisa moaned with pleasure. My fingers were coated with her pussy juices so I rubbed them gently round her arse before pushing my index finger into her tightest hole, my tongue still lapping at her pussy.

She grabbed my head and pulled me closer, my tongue lapping up every last drop of her oozing sex, my finger pushed deeper inside her. I felt her tremble, heard her moan from satisfaction and smiled to myself that I had been able to do this.

I thought it was about time to rejoin the party but Lisa seemed to have other ideas. "It's not fair", she said, "I haven't had a chance to taste you yet."

She gave me a grin and put her head between my legs while kneeling either side of my face so that we were in a sixty nine. My whole body tensed when she ran her tongue along my snatch, she grabbed my bum cheeks as if trying to pull herself closer, sucked my clit into her mouth and rolled her tongue around it.

This was FUCKING intense – every part of me tingled! I had never believed so much pleasure was possible at one time and then to really make my endorphins rush she pushed two fingers in my sopping cunt and another into my eager bum, her mouth still locked on my clitoris. This orgasm took my breath away. My body shook and my legs twitched and my pussy and arse clenched around Lisa's fingers as wave after wave of orgasmic release rushed through me.

My body and mind had just reached places I never knew existed and all I could do was lie there trying to get my breath back, enjoying the afterglow of the most powerful orgasm I had ever had.

Lisa grinned – she could see I was still unable to speak. As she got dressed she said: "We'll have to call that a 68… You still owe me one!"
